The written petition of W. D. Edmiston, J. C. McWhorter and others, asking that an election be held.

trict No. 2, in Lincoln County Kentucky.—Judgment.

The written petition of W. D. Edmiston, J. C. Mc Whorter and others, asking that an election be held at Crab Orchard Magisterial District, No. 2, in Lincoln county Kentucky, on the 23rd day of June, 1903, to take the sense of the legal voters in said district who are qualified to vote at an election for county officers upon the proposition whether or not Spirituous, Vinous or Mait Liquors shall be sold, bartered or loaned in said district, and asking that the provisions of the law and prohibition shall apply to all druggists in said district, having been received by Jas. P. Balley, Judge of the Lincoln County Court, on the 23rd day of April, 1903, and having been filed in open court and an order noting its said filing having been entered in said Court at a special term of said Court, held on the 23rd day of April, 1903, the matter came on for hearing upon the said petition and the proof heard that the said petition and the proof heard that the said petition was signed by all of the parties whose names appear thereto, and that each one of them are legal voters in said district and qualified to vote at an election for county officers and it also likewise appearing to the court that of the said petitioners, 190 are legal voters in voting precinct No. 2, which are the only two precincts in the said district, and at the last preceding general election there were cast in said voting precincts in the said district, and at the last preceding general election there were cast in said voting precincts in the said respective precincts at the last preceding general election, and that the said petitioners have in all respective precincts at the last preceding general election, and that the said petitioners have in all respective precincts at the last preceding general election, and that the said petitioners have in all respects compiled with the law. It is now ordered and adjudged by the court that an election be held in Crab Orchard magisterial district.

on overcoats and another lets down a key just in time for the milkman and draws it up again after he has put the milk inside the door.

One of the advantages King Edward has had in dealing with foreign statesmen and monarchs is his very fine gift as a linguist. Three languages are per feetly familiar to him his own of the state men and monarchs is his very fine gift as a linguist. Three languages are per fectly familiar to him—his own, of course, and French and German, which to him are almost mother tongues. It used to be said of the late Queen Victoria that it was hard to say whether she thought more easily in German or English. The same could be said of the King; he speaks German like a German, just as he speaks French like a French man.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

The uniform success of this remedy has made it the most popular preparation in use for bowel complaints. It is everywhere recognized as the one remedy that can always be depended upon and that is pleasant to take. It is especially valuable for summer diarrhoea in children and is undoubtedly the means of saving the lives of a great many children each year.

For sale by Craig & Hocker.

Did you ever notice how completely "put

out" the moon was? We can show you a similar display in our stock of

"Tennent Shoes." They eclipse all in quality and durability.

It pays to get the best.

Cutting PRICES at the N. Y. Store.

We have put the scissors in hard and deep in the PRICES of Men's and Women's shoes. No stock can last long here-PRICES wont permit it. The cutting air of the pruning knife sweeps the Goods off our shelves like a December gale. Here are a few samples of what we do in selling REDUCTIONS when we get at it: A \$5.00 Men's Shoe at \$2.65; a \$3.00 Women's Shoe at \$1.90. Clothing and Dry Goods also at greatly REDUCED PRICES. Give us a call.
